

Separation of Powers

LL.B. 5-Year Integrated Programme: Foundation Years · Subject: Political Science for Law

Overview

The doctrine of separation of powers and its application in the Indian constitutional scheme.

Study Notes

This chapter forms part of the 'Political Science for Law' subject within the 'LL.B. 5-Year Integrated Programme: Foundation Years' course on LawStudents. It is intended to give students a structured, exam-oriented understanding of the topic before moving to the next chapter.

- Read the overview and identify the core concept being tested.
- Cross-refer the relevant Bare Act or standard textbook chapter alongside these notes.
- Attempt previous-year or practice questions related to this chapter before moving on.
