

Basic Structure Doctrine

LL.B. 3-Year Programme: Semester I-II Core Subjects · Subject: Constitutional Law

Overview

An overview of the Basic Structure Doctrine and its evolution since Kesavananda Bharati.

Study Notes

This chapter forms part of the 'Constitutional Law' subject within the 'LL.B. 3-Year Programme: Semester I-II Core Subjects' course on LawStudents. It is intended to give students a structured, exam-oriented understanding of the topic before moving to the next chapter.

- Read the overview and identify the core concept being tested.
- Cross-refer the relevant Bare Act or standard textbook chapter alongside these notes.
- Attempt previous-year or practice questions related to this chapter before moving on.
