

Secretarial Standards Overview

CS Executive: Company Law & Governance · Subject: Governance & Compliance

Overview

An overview of Secretarial Standards issued by the ICSI.

Study Notes

This chapter forms part of the 'Governance & Compliance' subject within the 'CS Executive: Company Law & Governance' course on LawStudents. It is intended to give students a structured, exam-oriented understanding of the topic before moving to the next chapter.

- Read the overview and identify the core concept being tested.
- Cross-refer the relevant Bare Act or standard textbook chapter alongside these notes.
- Attempt previous-year or practice questions related to this chapter before moving on.
